Greetings,

Spring is almost here and for us at Calvary that means—Spring Fling! We're thrilled to announce that our Spring Fling Fiesta will take place on **April 25, 2025, at Mere's Reserve, from 6:00 PM to 11:30 PM.**

This adults-only event will include a social hour and silent auction, followed by a buffet-style dinner and live auction, and then we'll wrap up the night with Music Bingo and dancing! Raffle tickets will also be available for purchase, with winners announced throughout the evening.

Your participation in this event supports the school's annual operating budget with everything from classroom materials, field trips, equipment maintenance, scholarship opportunities for families, technology upgrades, and so much more.

We rely on generous donors like you to keep our mission of enriching children's education and spirituality going strong. As a thank-you, you'll receive a full tax-deduction acknowledgement for your support. Wondering how you can help? We are kindly seeking both Major Event and Table Sponsors for this event!
